I have studied the Masters and Johnson report on Human Sexual Response for years and it has taught me how you guys think. It's all about pussy, which is fine with me because I have one and I like to have it fucked. And I have a mouth, which you guys want to have wrapped around your cock and that's okay. i dream of a threesome

I first met Justine shortly after she moved to Florida from France. She was introduced to me by a mutual lady friend who thought we'd be good for each other. Justine had the sort of looks one dreams about. Tall, with a nice tight figure, long lean legs, and dark brown hair. Most stunning are her emerald green eyes, coupled with a mouth that seems to have a permanent seductive upturn at the corners.

We dated for about eighteen months, enjoying each other's company as well as bodies, finally parting good friends. Justine called me the other night, asking if I was interested in a movie on Friday night. Not having made plans, I agreed to pick her up at six-thirty.

When Friday rolled around, I showed up dressed in jeans and a polo shirt. Justine was similarly dressed, but with a thin cotton blouse. We looked on the internet, trying to decide which movie to see. After a few minutes of surfing through the ads, Justine said that the hottest movie of the summer was opening at Showcase 16 theater complex. The one that was a best-selling novel last year. The one where a couple go to a Greek island and meet a sexy French girl and they spend the summer together as a threesome. The movie was okay but the scenery and the two main girls were just amazing. Justine kept whispering how beautiful everything was and when the sex scenes were on the screen, she nuzzled me a little more. I was surprised when they showed the guy's stuff, but that got Justine hotter and when both girls went down on him at the beach, she grabbed my semi-hard cock through my jeans and squeezed hard.

The movie ended and we headed back to the car. Justine told me she found movie very hot and got her ex-

cited. This is, of course, just what I wanted to hear, and I closed the door of the car and started to drive us home as directly and quickly as I could. Driving home, I saw Justine checking out her wet spot. She stuffed her hand down her pants and, then pulled it out and touched my lips with it. I tasted her and she smiled. We were at her place in fifteen minutes. I was all set to grab her and ravage her body as soon as the door closed. But when we entered, we was surprised to find her roommate Dakota sitting in the living room watching T.V.

"Hi D." Justine said offhandedly. Dakota said hello to both of us, and asked us were we'd been. Justine told her, and an eyebrow shot up, her blue eyes looking at me. Dakota was a beautiful woman in her own right. Her hair was light brown, long and straight. She had a sensuous figure and her face had that same sexy quality that Justine's had. Dakota's eyes were the best bedroom-eyes I'd ever seen, and her mouth promised to be both soft and wickedly sinful.

"I guess the movie was pretty good." Dakota said. Justine sipped her wine, humming "Um-hmmm" and I agreed saying that it had turned me on, too. Dakota looked directly at Justine's crotch. "Hmmm. I'd say you have to change." Justine blushed and crossed her

legs. Dakota leaned back, spreading her legs a bit and showing a damp area between her thighs, too. "I was watching a tape my boyfriend left when you drove up. You wanna see a part of it?" What I wanted was to take Justine and fuck her silly, but Justine said yes to the suggestion, her eyes on D's damp jeans. Justine's roommate pressed the PLAY button on the remote and the DVD started. Justine gasped and maybe I did too.

On the screen was Dakota. There was no mistaking her long hair and face. She was naked, getting slammed from behind by her boyfriend, and some other girl was spread in front of her, D's tongue flicking up and down her slit. My eyes were glued to the picture, and I felt Justine's hand on my arm, holding me tight. Dakota was licking the gal furiously. The camera was obviously on a tripod, since the scene didn't change except to zoom in or out by a remote whose wire was visible on the bed, but I digress.

"Dakota!" Justine whispered. "Is that... really you?" I looked at Dakota, past Justine who stared at the television with her green eyes wide and dilated. "I've always wanted to do that to you Justine, but was afraid to ask you." Justine shook visibly, a small shudder running down her frame. Without a word, Justine leaned down and started kissing Dakota's pussy through her jeans, making D moan and lift her hips up. "Oh yes! Yes baby, please! I want you so bad!" Dakota cried out. I sat back and watched for a few moments, seeing the very wet area on Justine's ass as she kissed Dakota's thighs and pussy. I suggested that the floor would be roomier, or perhaps the bedroom.

Justine turned and looked at me with eyes glazed by lust. "Help me undress her." she said. We stripped Dakota and she stripped us too. I watched as Justine started licking Dakota's soft moist pussy. Dakota motioned

me up to her and I kissed her long and deep, feeling her soft, warm, sensuous lips and her lusty tongue. She reached up and fondled my balls, and pulled my cock to her mouth.

Whatever Justine was doing made Dakota incredibly horny. She sucked my seven and a half inches down her throat easily, and licked me with wild, wanton greed. I pulled on her nipples, squeezing her full breasts, and running my hands down her belly. I could see Justine's tongue parting D's pussy lips and flicking over her clit, her face wet with cream. Dakota began bucking her hips, and I moved to her side, just pinching her nipples and letting her enjoy without having to suck my cock. I licked the undersides of her tits, and pressed them together too.

Suddenly Dakota pulled her legs back and up to her chest, and I held them for her. She was panting heavily, and moaning too. Justine had her mouth all over her roommate's pussy, making slurping and sucking noises. Justine slipped two fingers inside the girl, and pumped her slowly while she sucked. Justine found just the right combination and sent Dakota over the edge. Dakota's screams were loud and her legs wrapped around Justine's head, her hips lifted high off the floor, as she shook and thrashed. She came long, loud, and hard. When she went limp, Justine lifted her cream covered face and smiled. I leaned over and licked her chin and kissed her, tasting Dakota's pussy juice and feeling Justine's slippery tongue invade my mouth. Justine turned and kissed Dakota, laying down on her sweat covered body.

"I've always wanted you." Justine said softly. "Always from the day we met. I knew you'd be soft, and delicious." They chuckled to each other. Then Justine knelt on the carpet, and I entered her dripping wet pussy from behind. I slid into her slowly, savoring the feel of her

i dream of a threesome

warm and wet tunnel. Dakota slipped underneath and started sucking Justine's large, full nipples. I began to piston in and out, slowly, my hands gripping Justine's hips and squeezing her flesh softly. Dakota worked her way down, laying directly under Justine, her tongue tracing lines on her chest and stomach.

I continued to slide in and out of her dripping pussy, her juices lathering on my pubic hair. Justine arched her hips up, taking me as deep as possible and I felt Dakota's tongue on my balls. I pulled back and paused, watching Dakota flick her tongue around my cock and Justine's hole, then down her slit.

Justine began to come almost as soon as she felt Dakota's tongue on her clit. Her pussy contracted around me, her body twitching and shaking. Dakota kept licking and I started to move slowly again. Justine groaned and thrust back, then pulled forward and thrust back hard again. I then grabbed her hips and started to slam her hard and fast, my cock sliding easily in and out of her creaming pussy. Justine began shuddering, spasming hard and making slurping wet noises around my cock. I kept up the pounding, and Dakota kept sucking. My balls were leaving wet traces against Dakota's forehead and nose, and I felt her hands on my thighs and ass. Dakota sucked and licked, tossing her head back and forth as I pumped Justine's pussy.

We both picked up the pace again, Justine's shuddering hips raising up so Dakota could suck while I fucked her. Her pussy became a grasping, pulsating, slick tunnel

that was trying to milk me dry. I felt the cum welling up inside me, and I knew I was about to spurt a big load. I pulled Justine's hips up and thrust into her hard, slamming her ass and making it ripple. Justine was bucking back against me. Then I felt a thick surge of cum begin to rush up my cock and I thrust my hips forward, hard, pulling her pussy back to me and holding her tight. I gushed my cum into her again and again. It felt like I'd put a fire-hose up her pussy and turned on the faucet. Justine's hips were moving, rotating, swaying and she finally pulled away from my cock, letting my jism spurt on her asshole and pussy lips. Her contracting pussy was dribbling sperm and her cream all over Dakota's chest. Justine moved and sat down on D's face. My cock rested against her ass, my sperm running down her crack and some dribbling down her gorgeous back. Justine sat fully on Dakota's mouth and she rubbed her steaming hot slit back and forth.

I was surprised when Justine groaned and shuddered again, then fell off onto her side, curling up into a fetal position. Dakota sat up and we looked at each other, then we went to Justine. She was lying on her side. "I've just had the longest climax of my life. I'm so happy and satisfied!" Dakota and I looked at each other and smiled, then we each kissed Justine, then Dakota and I kissed each other. I carried Justine into her bedroom and the three of us crawled under the covers with her in the middle. Later, when we all had rested, we repeated our earlier coupling, this time with Dakota on her knees. Again, we curled up, Dakota in the middle, and we fell asleep.

Our men are at a sports bar watching some stupid ball game. We gals got bored with that shit, so we decided to go out by the pool and do some yoga to relieve the stress. It's hard to believe that they prefer their game over us, so we'll just enjoy ourselves. Fortunately, it got too hot outside and so we went to a back bedroom where they couldn't hear us. Okay, enough talking, it's gametime for us!

GIRL NEXT DOOR

Candy Jones

Candy says she sees the big hard cock as a large licorice licking stick and can't wait to get her mouth around it. Her favorite ending is to have all that hot, hot jism spurt onto her boobies. She'll then rub it into her skin because she says it keeps her beautiful skin looking young and firm. We can't agree more, Candy.

Natalie

I'm not much of an indoor girl. I like swimming, climbing, riding, camping and fucking in the great outdoors. There's nothing like inhaling fresh air as I inhale a cock into my mouth. And to get fucked outdoors? Better than any bedroom, if you ask me.

Nadia

Leave us alone so I can be with my man. You shouldn't really be here because we shouldn't really be here. 'Here' is a small cabin in the Poconos and we've rented it for just a couple days. That's all the time we have before we have to get back to our offices and then our partners. Even though it's exciting, I wish we were doing this is the open. There's bound to be some bad come out.

what it takes to get an A in class

It was late August and the first day of my freshman year at the university and I was a nervous wreck! All of these new people and new teachers, I had no idea where to go! Somehow I managed to get to my first class right after the bell rang. I guess that's not a great first impression to have on a teacher, but it was the only one I could've made. I took a seat by the front seeing as it was the only one left. My Psych 101 teacher was Ms. Reynolds and might I say DAMN!!!! Such an amazing looking woman almost made me cream myself right then and there! For the remaining 50 minutes of the class, I probably should have been paying attention to the quiz she had given us, on our first day, no less, but all I seemed to do was to gaze at her beautiful rack on a nice athletic frame. Sweet, soft skin with deep brown eyes and perfect blonde hair. She wasn't that tall, around five foot six, I'd say.

The rest of the day I managed to get to all my other classes right on time, or should I say right in time seeing as how it was almost always about 30 seconds before each tardy bell rang. I couldn't pay attention to anything anyone was saying, because the entire day I had Ms. Reynolds's nice ass floating around in my

head. Finally the last bell rang and it seemed like every student ran into the quad at the same time. I walked slowly so that when I passed Ms. Reynolds's class I was able to enjoy the view. I found a nice table to sit at and await my prize.

I suppose now would be a good time if any to explain exactly what I look like. Well I have light skin with no marks or blemishes, jet black eyes and shoulder length hair that I keep straightened. I think I have soft full lips, a firm round ass, perky breasts with half-dollar sized nipples. And not that you need to know right now, I like to keep my privates clean-shaven, but I do let it go for weeks at a time if I'm got getting it on with someone. I have always felt a deep admiration of the female form, never really been attracted to guys. I had many girlfriends, but nothing too serious – just having fun.

I sat there and began to doodle in my notebook when suddenly Ms. Reynolds walked over and asked to speak with me. I couldn't understand exactly what she wanted, but I would soon find out. Ms. Reynolds looked me over a good while she began to speak in a sexy voice with a pussy wetting accent. "Marla I pulled your records and found that you had extremely high math scores, so I can't find a reason as to why you failed my pop quiz." I looked down at the ground then back up at her and finally spoke, "I'm sorry Ms. Reynolds, I guess I was just a little distracted. I promise to try harder." Then she asked,

We jumped in and raced to her house. It took about fifteen minutes to get there and during the entire ride she had her hand down my skirt ...

"If you don't mind me asking, what did you find so interesting that you couldn't focus on your quiz?"

"Well Ms. Reynolds if you must know, it was you." I answered. "Me??? Marla are you saying I somehow distracted you?" I blushed then inched a little closer to her and whispered, "Yes Ms. Reynolds that's exactly what I'm saying, but it wasn't just you that distracted me, it was also your voice and perfect body." A sweet smile came over her face and she put her arm around my waist pulling me closer, "If that's the case I suppose you need some after school tutorials and maybe some help on the weekends." Looking at her with big pleading eyes that just screamed take me, I agreed.

I nodded, then quickly got up and headed home after an exciting and confusing first day. During the following days, my eyes watched time tick away slowly, painfully. Tick tick tick was all I heard. Not one word said by any of my instructors seemed to reach my ears, it was like every other sound was blocked out except for the ticking of the clock. My heart pounded with each stolen glance, when finally the release bell rang. I bolted out of my last Friday class and into the faculty's parking garage waiting for Ms. Reynolds. I saw her walking slowly towards me with a tiny bounce in her step like she was excited or something.

Finally she reached where I was waiting and we walked to her car.

We jumped in and raced to her house. It took about fifteen minutes to get there and during the entire ride she had her hand down my skirt gently rubbing my clit through my panties. I was so wet and my pussy was throbbing! We got to her front door and kissed passionately, rubbing our hands up and down each other's bodies. She unlocked the door and opened it in one swift motion we were in. Immediately, she pulled me towards the bedroom and pushed me onto her huge bed. She ripped the shirt from my body, and tore my skirt off, pulling my panties off in less than five seconds.

Ms. Reynolds began to kiss down my neck and chest with her supple

Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit.

and gentle lips. She climbed on the bed and straddled my stomach, slid her blouse and bra off and then bent over to kiss me once more. I grabbed her by the hips and switched positions with her and took her jeans off then pulled her sweet smelling thong off her with my teeth. She rolled gently underneath me and reached into her nightstand and pulled out what appeared to be a black strap-on. I looked wide-eyed at it and asked her what it was for.

"I want you to fuck me with this strap-on." she said in a sexy tone. I blushed, "but I don't know how to use it."

She made me stand up at the side of the bed and she sat on the edge. I lifted each leg as she pulled it up my lower body and adjusted the waistband around me. Then she put a little vibrating part inside me and turned it on, I couldn't believe how good it felt. Wanting to reciprocate the affection, I turned her around, bent her over the edge of the bed and lifted her hips into the air a bit. I bent down and licked her shining pussy, flicking my tongue in and out to give her a tease of what was bound to come. I pulled her butt cheeks apart a little and snaked my tongue to her puckered hole. I flicked my tongue a couple times and then a quick rub of my finger and she squirmed and purred,

Then I shoved the fake dick inside of her, slowly sliding it in and out then picking up the pace. I held

her wrists down and pushed it in as far it would go, making her moan loudly. I pulled it out and pushed it in with a fierce lust building in the depths of my pussy, I felt like I was going to cum everywhere, but I held it in so that she may cum first. Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

Seeing her like this turned me on so much that I began cumming with a loud scream of pleasure. I pushed it in one last time while I was orgasming and apparently that sent her over the edge too, because she began to squirt everywhere. I took it out of her and bent down to lick off the remaining juices. She tasted as sweet as strawberries. The yummy taste of her pussy caused me great wetness so I slid the strap-on off of me and layed down. Thankfully she got the picture of what I was aiming for.

She bit her way down my body, teasing my nipples with soft gentle bites and tongue circles. I took a deep breath and focused on how amazing this felt. Lowering herself to where she became level with my glistening clit, she began kissing up my inner thighs, then stopping when she reached my pussy. She parted my legs and admired what she sought. Even from my perspective, I could see my mound glistening in the lamplight. Looking back up at me, Ms. Reynolds smiled and gave my labia a loving little nibble, then took my entire pussy into her

mouth and put her tongue to work.

The warmth of her tongue felt like heaven as she moved it in and out of me gently. I moaned softly from this sweet pleasure; she hummed into my pussy causing little vibrations which made me take deeper breaths. She took her tongue out to pleasure my sensitive little clit and while my clit became hard she slid one finger into me, then two, then three before I moaned at that wonderful feeling. Her fingers picked up the pace and were soon being shoved in and out of my pussy with a quickening motion.

With her tongue flicking my clit and her fingers buried deep inside me, there was no way I could hold on

much longer. I came all over her hand and chin, breathing heavily and shaking. She lapped at my juices like a hungry little kitty craving it's mother's milk.

We both sat up and pulled each other close and hugged, pressing our hot, moist bodies against each other. Backing away, she pushed me gently back onto my elbows, grabbed my ankle and lifted my leg. As she slid her body towards me, she pulled me closer and our soaked pussies met in the scissors position. We grinded against each other's pussies and moaned softly in each other's ears.

We sat up and our breasts began to rub against each other matching the movements of our pussies. We had one final orgasm together and as our juices mixed we kissed gently. Both of us were satisfied and breathing heavy. Later on we fell asleep in each other's arms only to wake up several hours later. We took a quick shower together and got dressed. She drove me home and for the entire ride we sat silently holding hands. We reached the end of my street and as I got out we kissed one last time.

I walked up to my house, unlocked the door, turned to wave goodbye and blew her a kiss. I went to my bedroom. I layed on my bed and looked up at my ceiling then thought to myself as I drifted to sleep what a wonderful first week, wonder what the rest of the semester will hold. All A's in Psych, I hope.

Her moans became louder and her breaths shorter as her hips rose to meet the movements of the fake cock that was attached to me.

It's been a while since I've had sex. Too many distractions and kinda let myself go. But I'm ready again. I just shaved my pussy and thought you might want to see. It's really pretty, smooth and silky. Now it's time to give my pussy and ass a workout. Tell me which one you like better.
